This is a contract between Karen Brock dba Furry Friends Boarding and the pet owner whose signature appears below.  
 I understand that Canine Cough (aka kennel cough) is not 100% preventable, however we still recommend that you have your pet receive the bordatella shot 5 days prior to boarding with us.  
 I understand that I am required, for the safety of my animal(s) and the safety of other animals on the premises to **provide proof of rabies vaccination** from my veterinarian's office.  
 I agree to pay the daily boarding rate of \$18.00 per day, per pet. (If owner food supplied)  
 I agree to pay the daily boarding rate of \$20.00 per day, per pet. (If using our food)  
 I understand that there are risks I inherit if I choose to allow my pet to participate in the socialization program, with pets residing at the residence, as well as other boarders at the residence. And by signing below I agree to allow my pet to enter the socialization program.  
 If you choose not to allow your pet to enter the socialization program, there will be an additional \$5.00 fee per day, per pet.  
 \*\*\*\* It is required that you treat your pet with flea/tick preventative prior to arrival...
